

2019 MAISON L'ENVOYÉ STRAIGHT SHOOTER CHARDONNAY

Review Summary

90 pts/EDITORS' CHOICE “This is a clean, fresh, crisp and straightforward wine. If there could be a standard issue Willamette Valley Chardonnay, this would set the mold. The nicely ripened fruit mixes green and yellow apples, citrus rind and a splash of lemon. It’s a fine choice for an everyday bottle.”

89 pts “This tastes of pear and apple with a butterscotch top note, delivering creamy apple flavors with a modest richness. Solid chardonnay juice for an honest price.”

GREAT VALUE CHARDONNAYS “Light in alcohol (at 12.7%) and without much oak influence, this clean, focused white hints at green apples with a touch of tangerine, a refreshing, northwest coast-style Chardonnay.”
