

2021 MAISON L'ENVOYÉ 'LE SAINT PÂLE' ROSÉ

Review Summary

90 pts “Light, bright orange. Vibrant, spice-accented orange zest and pomegranate aromas show tight focus and a hint of succulent herbs. Dry and precise on the palate, redcurrant, cherry and blood orange flavors unfold slowly through the back half. Finishes long and taut, with a floral note emerging slowly. This is definitely not an easy-drinking pink wine.”
