

2016 MAISON L'ENVOYÉ "LE SAINT PÂLE" ROSÉ

Review Summary

90 pts "Bright onion skin. Mineral-accented strawberry, orange and candied lavender scents, backed by a subtle herb nuance. Dry and sharply focused in the mouth, offering tangy red fruit and floral pastille flavors and a bracing, refreshingly bitter citrus pith note on the back half. The mineral-driven, incisive finish shows very good clarity and hangs on with strong tenacity."
